

meet your **local** business

**LOOKING** for a party venue?

Somewhere to hold a meeting?

A large outdoor space for an event?

Look no further than **Horsham Rugby Club**

The Hammerpond Road clubhouse has recently undergone extensive renovations and upgrades, creating a modern, spacious venue set in the heart of the countryside yet just a stone's throw from Horsham town centre.

A grant from the Rugby Football Union enabled the club to totally renovate the clubhouse bar, creating a modern, airy function area. Other upgrades include a new kitchen, redecorated and retiled toilets and a newly installed decking area outside the clubhouse creating the perfect al fresco extension to the bar.

The main bar area is perfect for celebrating birthdays, anniversaries, wedding receptions or funeral wakes with its full bar service, complete with bar staff, large modern kitchen and plenty of space for a dance floor with live music or a disco. This area can seat about 100 people but should an event require more space there is plenty of outdoor space for a marquee. Horsham Rugby Club welcomes parties for any occasion, although 18th and 21st parties incur an additional cost to hire security.

The smaller snug area to the side of the bar is a more intimate space that can be used for business/committee meetings.

Horsham Rugby Club's Coolhurst Ground is set in 27 acres of beautiful Sussex countryside featuring grassland and woodland, space which can be hired for all manner of functions over the spring and summer months. From dog shows to football tournaments, caravan clubs to motorcycle rallies - any event that requires plenty of outdoor space.

Whatever the function there is ample on-site parking.

For all booking enquiries either call the clubhouse on 07833 098 079 or bar manager John O'Sullivan on 07818 057 095.
